MEMORANDUM FOR: SSA-DD/S

SUBJECT: Draft Support Bulletin on Home Leave  
Accrual and Eligibility

STATINTL 1. Some time ago, Mr. [ ] of your office submitted to us a draft support bulletin which treated the subject of home leave accrual and eligibility. During this time we were in communication with the General Accounting Office as to the effect of several proposed rules in this area. We have completed our discussions with GAO and therefore are submitting a revision of Mr. [ ] draft to incorporate these rules.

STATINTL 2. The separate treatment of accrual of home leave and eligibility for home leave has caused a great deal of confusion since the new Overseas Differential and Allowances Act was passed by Congress. The draft bulletin carefully distinguishes these two concepts. Moreover, we have felt that it was necessary to make more clear the dates on which home leave accrual and eligibility begin and terminate.
